Re: Virginia Pollutant Discharge Elimination System (VPDES) Permit No. VA0004138

Dear Ms. Taylor:

The State Water Control Board is considering reissuing the referenced permit. The public notice and draft permit package are being transmitted to you electronically and are available at the following –  
<http://www.deq.virginia.gov/fileshare/wps/PERMIT/VRO/VA0004138%20-%20Dominion-Bremo%20Power%20Station/>

Please review these documents carefully.

Certain public notice procedures must be complied with before the actual permit can be approved. They are as follows:

- 1) The attached public notice must be published once a week for two consecutive weeks in a newspaper of general local circulation. We have your signed billing information form and intend to contact the newspaper on October 27, 2015, to begin the public notice process.
- 2) The attached public notice will seek public comment and announce a public hearing on this permitting action. A minimum of 45 days will be allowed for public response.

Please contact me at (540) 574-7892 or [brandon.kiracofe@deq.virginia.gov](mailto:brandon.kiracofe@deq.virginia.gov) if you have questions or comments on the draft permit, fact sheet, or public notice requirements.

Sincerely,

A handwritten signature in purple ink that reads "Brandon D. Kiracofe".
